

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates. The cable ownership

cap is a crucial element of our democratic media, and it should not be weakened.

It would be a great public disservice to loosen those ownership rules. We need more, not less, diversity in media choices & viewpoints. As an act of sanity and conscience, please examine the ethics of your decision before assuming the public is not concerned about its impact. Do the right thing for the public, in whose interests you were created, to protect us from media monopolies, not serve them.
